PROFESSIONAL SUMMARY

A dedicated and detail-oriented cybersecurity professional with a university degree in Cybersecurity and currently pursuing a Security Analyst certification. Strong foundation in information security principles, threat analysis, risk management, and incident response. Passionate about protecting digital assets and ensuring system integrity through proactive security measures. Eager to apply analytical skills and up-to-date industry knowledge in a dynamic security operations environment.

WORK EXPERIENCE

January 2025 - June 2025

IT SUPPORT INTERN

COFFEE MANAGEMENT SERVICES LIMITED

- Assisted in the installation, configuration, and maintenance of hardware and software across the organization.
- Collaborated with senior IT staff during system upgrades and patch management activities.
- Facilitated the successful transition of employees to a new system by providing hands-on support and user training, ensuring smooth adoption and minimal disruption to operations.
- Performed hardware diagnostics and repairs on company laptops, extending device lifespan and reducing outsourcing costs.

June 2023 - August 2023

BARISTA AND BARTENDER

TREASURE GARDENS

- Delivered exceptional customer service in a fast-paced environment, consistently receiving positive feedback and repeat customers.
- Managed inventory and restocking, reducing waste and ensuring continuous product availability.
- Maintained a clean, organized, and compliant bar area in line with health and safety standards.
- Crafted a wide range of cocktails and beverages with speed and precision, enhancing the guest experience and boosting sales.
